

# emPower 2007

“Putting a  
**chill**  
on Global Warming”

Get creative for  
a fantastic cause

Great Prizes to  
be won!

Have your work  
seen at the TANKS!

## Calling all creative students of all ages for the 2007 emPower Energy Fest

Saturday 7th July - Thursday 12th July - Tanks Art Centre

**\*\*\* Take Part in great Competitions and WIN fabulous prizes \*\*\***

~ **Primary School Students** ~ write a 2-3 minute speech what you want our government to do about global warming and/or how you imagine a sustainable future to be.

~ **Secondary School Students** ~ write a 400 - 800 word essay with up to 3 illustrations titled “Visions of a Sustainable Future”.

~ **Students of any age** ~ create a 2D art piece (A3 - A2 size) for “Visions of a Sustainable Future”.

~ **Singers/Songwriters of any age** ~ write and perform a song about climate change and/or your vision of a sustainable future.

**Get in quick - registration closes 15th June.**

**Proudly Supported By:**

*Cairns City Council*

*CAFNEC*

*ABC Local Radio*

*ACF*

*Enviromart*

*Cairns Post*

*Greenhouse*

Make a positive difference to your environment, your community and your future...
